MARY E. D'ANDREA, CLERK
PER *MD* DEPUTY CLERK

I. The above captioned matter has been listed for a case management conference to be held with counsel in my chambers, ninth floor, Federal Building, Third and Walnut Streets, Harrisburg, Pennsylvania. The conference may be conducted by telephone by pursuing the procedure on the attached notice.

II. The conference will be held on Wednesday, July 25, 2001, at 10:30 a.m.

III. The purpose of this conference is to discuss all aspects of the case including possible simplification of issues, a schedule for the completion of discovery, amendment of pleadings, joinder of parties, filing of motions, and trial. It is anticipated that discovery has been initiated and will be pursued with dispatch, including compliance with Fed. R. Civ. P. 26(a), so

that a realistic trial schedule can be agreed upon at the conference. Although counsel need not comply at this time with the pre-trial submissions requirements specified in the local rules (as amended on August 16, 1999), it is expected that counsel in attendance will be in compliance with Local Rule LR 16.2.

IV. In accordance with Local Rule LR 7.8, all briefs filed in this case shall be limited to fifteen (15) pages. In the event a party moves for leave to file a brief in excess of fifteen (15) pages, the approximate length shall be indicated. No brief (in excess of 15 pages) shall be submitted or filed unless its filing is first authorized by court order. All filings shall be made with the Clerk of Court as specified in the local rules of court. Copies of filings, sometimes labeled "courtesy" copies, shall not be submitted to the court. Copies of the current rules of this court are available from the Clerk of Court.

V. Local Rule LR 16.3 requires lead counsel for each party to meet prior to the management conference and complete a "Joint Case Management Plan" form. The completed form, which is set forth in Appendix B of the local rules, must be filed at least five days prior to the conference. Counsel should also be conversant with the district's "Expense and Delay Reduction Plan," adopted on August 19, 1993, as required by the Civil Justice Reform Act of 1990.

VI. In the event videos or depositions are to be used at trial, the parties shall plan well organized and concise examination of witnesses. Ideally a trial deposition should not exceed one hour or so. The court may disallow the presentation of evidence by this means where to do so is determined to be burdensome to the fact finder. Transcripts of any depositions to be utilized at trial in lieu of live testimony shall be available at least three days prior to the date set for jury selection. Objections to testimony that cannot be resolved by counsel shall be brought to the court's attention at least two days prior to trial.
